

THIS OLD HOUSE

Billerica, Massachusetts

Cuoco & Cormier Engineering Associates, Inc. was pleased to be invited to participate in the series of episodes of "This Old House" which chronicled the rebuilding of Richard Silva's home after a devastating fire. Richard Silva, is a regular contributor on the "This Old House" program

Cuoco & Cormier Engineering Associates, Inc. surveyed for and designed a septic system meeting Title V requirements in the very restrictive environment of an older established neighborhood in Billerica.

We also appeared on the show to explain our septic system design methods and construction details in front of the camera for the PBS audience.
